Other factors that may be considered for the review of Directors include:

1. currency of a director's knowledge and skills; and

The Chair will provide each Director with confidential feedback on his or her performance. This feedback is used to develop a development plan for each Director. The Chair of the Audit and Risk Management Committee will undertake the review of the Chair of the Board.

The Remuneration and Nomination Committee will oversee the performance evaluation of the executive team on an annual basis. This evaluation is based on specific criteria, including the business performance of the Company and its subsidiaries, whether strategic objectives are being achieved and the development of management and personnel.
